## Are You Run Down

Feel all worn out, brain won't work, have no appetite, no ambition, strength or courage—you need Vinol—we guarantee it will help you. Your money back if it don't.

### How Vinol Made W. F. Searle Stronger.

Your Vinol is certainly a wonderful preparation, one bottle having worked wonders with me. My appetite was gone, nothing tasted good. I decided to try Vinol, and on the second day after beginning to take it I began to relish food again. I have eaten heartily at each meal since, and not only feel stronger, but have made a substantial gain in weight."—W. F. Searle, 12 Pierpont Street, Peabody, Mass.

### Mrs. S. C. Berry Says Vinol is a Great Remedy.

"I was taken with the Grippe one year ago last March, but the cough never left me. I was all run down and did not care for anything or to live. Had two hemorrhages and others, but having read what Vinol had done for others I also tried it. I was surprised to notice a change so soon, but it is true. I have taken nearly four bottles and shall get more to take for a while longer. I am not the same person that I was when I began taking Vinol. It surely is a great remedy. It has done so much for me, both for throat and lung trouble, that I wish every one with such trouble would give it a fair trial."—Mrs. S. C. Berry, High Street, Farm Hill, Middletown, Conn.

Come in and let us tell you about people right here in town who have been restored to health by Vinol. We don't hesitate to guarantee Vinol because we know what it will do.

### TENNESSEANS BAR NONE.

#### All Who Supported McKinley May Join the Association.

The East Tennessee Republican Association held its monthly meeting Monday night in Wynn's Hall, 721 6th street northwest. Mr. H. Clay Evans, commissioner of pensions, and Representatives Brownlow and Gibson, who expected to attend, were unable to be present on account of prior engagements. The committee on by-laws made its report, which was adopted without amendment.

A strong fight was made to change the name of the association to the Tennessee Republican Association, but the effort failed, as it was explained that east Tennessee had a republican majority of 25,000, and therefore was entitled to the name. The members from middle and west Tennessee present finally agreed that the name was a proper one.

An effort was made to debar gold democrats from membership, but it was decided that any Tennesseean, man or woman, who supported McKinley for President is eligible to membership.

The committee on entertainment reported a debate for next meeting, the subject to be "that the Crumpacker bill reducing southern representation should become a law." The following members will discuss the proposition: Affirmative, Wayne W. Cordell, Denny Montgomery, J. A. Davis; negative, D. C. Smith, J. G. Patterson, R. H. Gardner.

A dispatch was received announcing the nomination of W. H. Buttman for district attorney for several counties in east Tennessee.

**Mrs. Dennis' Condition Unchanged.** There was no apparent change in the condition of Mrs. Ada Gilbert Dennis today. She was still unconscious when the physicians called to see her, and no favorable symptom was discerned.

**Trainmen Choose Officers.** The Brotherhood of Railroad Trainmen, which has been in session in this city for several days, before adjourning elected officers as follows: General chairman, Mr. I. G. Meekley; vice chairman, Mr. W. G. Hilburn, and secretary, Mr. M. L. Moorehead.
